February 18th SAREX

What a wonderful day it turned out to be. We had a large amount of Civil Air Patrol Cadets and Senior members. I believe it was the largest turn out ever. This SAREX was unique in many ways. We learned to work with many different agencies like the Grafton K-9 team, Grafton Fire Department, Grafton EMS, Southern Grafton (County) Amateur Radio Emergency Services. All of the organizations proved to be indispensable. A huge Thank You to all the organizations, Mayor James Dean, and City Councilor Dean Sorenson for helping us make this Search and Rescue exercise a wonderful learning experience. I would also like to thank "The Spectator" Aaron Noble for the great article and pictures. If you would like to read the article on the February 18th SAREX you can go to www.cvspectator.com.

Cadet Spotlight

Cadet Airman Kristin Garcia will be featured in April/May 2006 "Girls life Magazine". You don't want to miss this exclusive article. If you do not purchase "Girls Life" you can read it at www.girlslife.com.

WWE Night February 4th 2006

On February 4th the Manchester Squadron Color/Honor Guards presented the colors for the WWE wrestling event in White River Jct, VT at the American Legion. This was our first truly amazing opportunities for our Color/Honor Guards throughout NH Wing. As we made a connection within our communities to preform a service. A true stepping stone to many more amazing opportunities.
